

Cookie Policy

BESK TECH · besk.tech

1. About cookies

Cookies are small text files stored on your device when you visit besk.tech. They let the site remember information about your visit. This policy explains which cookies we use and how you can control them, in line with UK privacy law (the Privacy and Electronic Communications Regulations and the UK GDPR).

2. Cookies we use

- Strictly necessary cookies. Required for the site to work and to remember your cookie choice. These do not need consent and do not store personal data.
- Analytics cookies. Yandex Metrika, used to understand how visitors use the site. Data is collected in depersonalised form. These are set only with your consent.
- Functional cookies. Remember choices such as your interface language. Set only with your consent.

3. Your consent

When you first visit, a banner lets you accept or decline non-essential cookies. Analytics and functional cookies are set only if you accept. You can change your choice at any time by clearing cookies for the site in your browser, which will show the banner again.

4. Managing cookies in your browser

You can block or delete cookies through your browser settings. Help is available in the support pages of each browser. Disabling cookies may affect how parts of the site work.

5. Retention

Session cookies are deleted when you close your browser. Persistent cookies remain until they expire or you delete them.
