

Privacy Policy

BESK TECH · Vladimir Beskorovainyi · besk.tech

This Privacy Policy explains how personal data is collected and used when you visit besk.tech or contact us through the site. It reflects the UK General Data Protection Regulation (UK GDPR) and the Data Protection Act 2018.

1. Who we are (data controller)

The data controller is Vladimir Beskorovainyi, operating as BESK TECH (besk.tech) as a sole proprietor. For any question about this Policy or your personal data, contact admin@besk.tech.

2. What data we collect

2.1. Information you give us. When you use the contact form, we collect your name, email address, an optional telephone number, and the content of your message.

2.2. Information collected automatically. When you visit the site, analytics cookies may collect depersonalised information about your device and how you use the site, such as pages viewed and traffic source, through Yandex Metrica. See our Cookie Policy for details.

3. Why we use your data and our legal basis

- To respond to an enquiry you send us. Legal basis: your consent when you submit the form, and our legitimate interest in replying to you.
- To operate and secure the website and to understand how it is used. Legal basis: your consent for analytics cookies, and our legitimate interest in a working, secure site for strictly necessary cookies.

We do not use your data for automated decision-making or profiling, and we do not sell it.

4. Who we share it with

We do not sell or rent your personal data. We use a small number of service providers who process data on our behalf: a hosting provider (Vercel) for the website, an email provider to deliver messages sent through the contact form, and Yandex Metrica for analytics. Each processes data only as needed to provide its service. We may also disclose data where required by law.

5. International transfers

The site is operated by a controller based in the Russian Federation, and some providers process data in countries outside the United Kingdom and the European Economic Area. Your data may therefore be transferred to and processed in the Russian Federation and other countries. Where we transfer data, we take reasonable steps to keep it protected. For more information about these transfers, contact admin@besk.tech.

6. How long we keep it

We keep the personal data you send through the contact form only for as long as needed to handle your enquiry and any follow-up correspondence, and then delete it. Analytics data is retained for the period set by the analytics provider. You can ask us to delete your data at any time.

7. Your rights

Under UK data protection law you have the right to access your data, to have it corrected, to have it erased, to restrict or object to its processing, to data portability, and to withdraw consent at any time where processing is based on consent. To exercise any of these, contact admin@besk.tech. You also have the right to complain to the Information Commissioner's Office (ICO), the UK supervisory authority, at ico.org.uk.

8. Cookies

The site uses cookies as described in our Cookie Policy. Non-essential cookies are set only with your consent, which you can give or decline through the cookie banner.

9. Changes to this Policy

We may update this Policy from time to time. The current version is the one published on this page, and it takes effect when posted.

Data controller: Vladimir Beskorovainyi (BESK TECH), sole proprietor
